DEFER A PAYMENT REQUEST FORM

I/We authorize FreedomRoad Financial to skip one loan payment on the loan identified below and change my/our due date as specified below. I/we understand that the finance charges continue to accrue on a daily basis and this authorization amends the original loan contract/agreement, which may change the total amount and the schedule of my/our repayment. I/we understand that deferring the loan payment will result in having to pay higher total FINANCE CHARGES than if I/we remitted the payments as originally scheduled. There is a \$20.00 fee to participate in this program and it will be added to your account balance. The \$20.00 fee will appear on the subsequent statement under the line item "fees/charges" and should be remitted with your next scheduled payment. **All deferrals are subject to FreedomRoad Financial's approval. Certain restrictions may apply.**
